

THE Z FACTOR

D U X F U T U R I

A CURATED LEADERSHIP WORKSHOP
BY ZENITH ACADEMY

THE DIRECTOR'S MESSAGE

Preparing for a Future Yet to Be Written

The world our children will inherit demands more than academic excellence. It will reward those who think independently, communicate with conviction, adapt to change, lead with empathy, and turn challenges into opportunities.

Mr. Vinay Pamidiparthi

Founder, Zenith Academy

What Is The **Z** Factor?

The ZFactor is not just a workshop—it's a movement. It helps young minds develop the human skills that technology cannot replace and exams cannot measure : Confidence, Resilience, Emotional intelligence, Financial awareness, Leadership, Creativity, and a Lifelong love for learning.

Who Is This For?

For every child ready to explore beyond textbooks. For parents and educators who believe learning should prepare children for life, not just for tests.

A Thank-You to Visionary Parents

To the parents who think ahead of their time—thank you for believing in a future where your child's potential is measured not by marks, but by mindset. You are shaping a generation that will ask better questions, embrace uncertainty, inspire others, and never stop growing.

The **Z** Factor

A journey beyond education—toward transformation.

Dux Futuri - Leader of the Future

THE **Z** FACTOR

**BEYOND ACADEMICS LIES THE POWER TO
INSPIRE AND ADAPT.**

THAT'S THE **Z FACTOR.
WHERE LEARNING BECOMES LEADERSHIP**

THE **Z** FACTOR EXPERIENCE

Our 2-day workshop is carefully curated by industry experts to give you experiences that no classroom can provide

Hands-On Role Play

Experience real-world business scenarios through interactive role play.

Shark Tank — curate and pitch your own startup idea.

Explore Global Perspectives

Develop cultural awareness, embrace diverse viewpoints, and discover global opportunities.

Engage in activities that build global citizenship.

Leverage Future Tech

Harness the power of AI in everyday learning.

Design a framework for your own startup using AI.

THE **Z** FACTOR EXPERIENCE

This is not your regular classroom — it's a launchpad for future leaders.

Physical Transformation

Build strength, stamina, and resilience — because leaders need more than ideas, they need energy.

Explore fitness routines that sharpen focus and fuel confidence.

Lerning through Gameplay

Experiment, play, and collaborate — discover leadership through marshmallow towers, reels, and treasure hunts.

Engage in hands-on challenges that turn fun into powerful learning.

Financial Literacy

Understand money as more than numbers — it's about choices, ethics, and future security.

Engage in activities that make finance simple, smart, and leadership-ready.

THE Z MENTORS

Seasoned mentor in molding future leaders. Ivy league Prep expert.

A roadmap to excellence — he helps students see the bigger picture and aim for world-class institutions with confidence.

Vinay P
Leadership Pathway

AI expert. Startup hustler. PhD researcher at BITS.

Future-tech insights — she shows students how AI isn't just buzzwords, but a tool to build real-world startups and innovations.

Durga Saranyu
AI Coach

Creative lead, Exploring Arts degree at Azim Premji University.

Creative energy — she helps students unlock their imagination through storytelling, and design thinking to make their ideas stand out.

Mokshada
Creative Thinking

Globetrotting IT Farmer.

Ethical & Sustainable Leadership—He champions experiential learning, showing how ideas grow when rooted in practice.

Umesh Hatti
Experiential learning

Transformation specialist and fitness coach.

Discipline and resilience — he teaches students how physical fitness and mental grit fuel leadership and success.

Sunil K
Strenght & Wellness

FAQ's

Q: Where is the next workshop happening?

A: At **Novotel, Vishakapatnam** — a vibrant venue perfect for hands-on learning.

Q: What are the dates and timings?

A: **September 5th & 6th** (Saturday & Sunday), 10 AM – 6 PM.

Q: What's the fee and what does it include?

A: **INR 8,999/- covering lunch, high tea**, a welcome kit with stationery, and a certificate of completion.

Q: How many learners per batch ?

A: The batch size is strictly **limited to 35**, to ensure individual and focused attention.

Q: Is accommodation included?

A: **No**, night stay is not included. Parents can arrange at their convenience.

Q: Will students get a certificate?

A: **Yes** — a Certificate of Completion is awarded upon full attendance and task completion.

Q: What age group can join?

A: Students aged **11–17 years**. Groups will be mixed so everyone learns from each other — this is not a conventional classroom.

Q: Do students need to bring anything?

A: A laptop or tablet if available. We'll provide a welcome kit with stationery.

Q: Is the workshop online or offline?

A: It's **completely offline** and interactive. There may be short online sessions with overseas mentors.

Q: What if my child has a medical condition?

A: Please inform us in advance so we can take the right steps.

Q: What's the **vibe** of the workshop?

A: **Fun, hands-on, and future-focused** — blending fitness, creativity, tech, and finance into real leadership experiences.
